

TRUTURN

PRECISION ENGINEERING

Celebrating over 30 years of excellence

Issue 13: NOV 2018 - Tel 01453 752888 or email sales@truturn.co.uk

TRUTURN – NEWS.

2018 has seen Truturn play a major part in the regions engineering awards programme with notable success in several categories honouring our skills and employees.

James Seal has been appointed to Business Development and will be our contact for any Sales related issues.

Call Dan Neaves for all Quotes and Lead Times on 01453 752888

Hayley Mercer – is now our production planner to interface with our customer base.

Ryan Woodward has moved on to increase our manufacturing capabilities with our new investments at Truturn for LRV sliding head machines giving a higher quality finish.

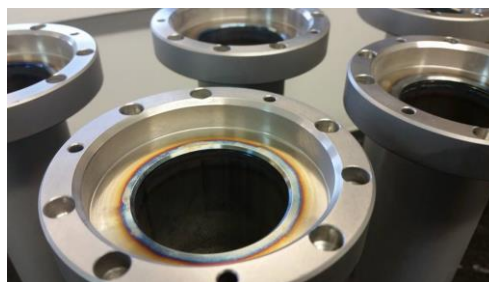

CAPACITY NEWS

Lead Times 2 – 3 weeks

(Volume/material/specification dependant)

ISO 9001:2015 Accredited

Turning and Milling

Being diverse in engineering is paramount

Machining all types of materials in different forms of the business is proving crucial. Alloys, Stainless, Brass, Plastics, and Exotics are what keep us a cut above the rest.
